

Office of Liaison Activities Presents
Understanding NCI: Toll-Free Teleconference Series

The National Cancer Institute's Office of Liaison Activities is pleased to offer a teleconference series on crosscutting issues in cancer research. Members of cancer advocacy organizations, survivors, family, and friends are encouraged to participate in each call to learn more about NCI's important cancer research programs and how advocates are involved. Callers will have the opportunity to ask questions of panel members.

Clinical Trials at NCI: *The New Clinical Research Center at NIH- Patients are our Partners and our Heroes*

Dr. John Gallin
Director, NIH Clinical Center

Ms. Dotti Cirelli
Clinical Center Patient Recruitment Coordinator

Ms. Susan Lowell Butler
Clinical Center Patient and Consumer Advocates in Research and Related Activities (CARRA) Member
